### **Navigating the Skies Ahead | A Discussion with the FAA**

**Location: SWAAAE Zoom Webinar**

Hear the latest updates and information directly from the FAA. As our industry charts a new course, join the panel for a discussion the CARES Act, Section 163, and the latest updates from the region and headquarters. The panel will also answer questions directly from the audience.

While questions may be submitted during the session, those submitted in advance will be given priority. Prior to the session, please submit questions to [info@swaaae.org](mailto:info@swaaae.org) or during the registration process via the registration form. Directions will be given on how to submit questions during the session.

Moderator: Jorge Rubio, A.A.E., C.A.E., Second Vice President of SWAAAE, and Deputy Director, Airports, City of San Diego

Speakers: Mark McClardy, Director, Federal Aviation Administration Western-Pacific Region  
Michael Hines, Manager, Planning and Environmental Division FAA, Headquarters  
Robin Hunt, Deputy Director, Office of Airports FAA, Western Pacific Region  
Laurie Suttmeier, Manager, San Francisco Airport District Office FAA, Western Pacific Region  
Mike N. Williams, Manager, Phoenix Airport District Office FAA, Western Pacific Region  
Cathryn Cason, Acting Manager, Los Angeles Airport District Office FAA, Western Pacific Region  
Gordon Wong, Manager, Honolulu Airport District Office FAA, Western Pacific Region

11:30 am – 12:30 pm

### **SWAAAE Corporate Membership Meeting**

**Location: SWAAAE Zoom Meeting**

6:00 pm – 7:00 pm

**Monday Night Event – Social Hour**

**Location: SWAAAE Zoom Meeting**

Network with attendees virtually at the Summer Conference social hour. The reception will take place in an on-meeting with giveaways and opportunities to connect with colleagues new and old in small group settings.

Be sure to supply your own refreshment of choice!

**Tuesday | 07.21.20**

9:00 am – 10:20 am

**Flightpath to Recovery | Post Pandemic Scenario Planning**

**Location: SWAAAE Zoom Webinar**

As the aviation industry seeks to rebound from the unforeseen impacts of COVID-19, several SWAAAE members and airports across the west have undertaken a scenario planning exercise to better inform strategic and business planning efforts going forward. Hear from our panel and join the discussion, about the potential futures in our industry and how we can focus on reality, resilience, and rebounding.

You won't want to miss this exciting and informative session!
