THE NEXT MEETING OF THE BOARD OF DIRECTORS is scheduled for 10:00 AM on Friday, October 30, 1987, in the Conference Room at the Ontario International Airport. A copy of the agenda is enclosed. As always, the meeting is open to all members who would like to attend.

CLARKE COUNTY, NEVADA, OWNERS AND OPERATORS OF MCCARRAN INTERNATIONAL AIRPORT, will take over operation of the North Las Vegas Airport on October 1, 1987. The County will participate in all phases of the operation with the exception of aircraft repair.

DOES ANY MEMBER AIRPORT HAVE A CREDIT-CARD OPERATED, SELF-SERVICE FUELING FACILITY? The installation of that type of facility is being contemplated at the Redlands Municipal Airport in Redlands, California. Phil Lock, Airport Manager, would like to get some information from anyone else having such a facility. Who paid for the installation? Who actually installed it? What cards will it accept? What are the pros and cons of the operation? If you have such an installation on your airport, please call Phil Lock at 714/794-9254.

THE FIFTH ANNUAL CONFERENCE OF COMMUNITY NOISE CONTROL AND ASSESSMENT will be held at Asilomar Conference Grounds, Pacific Grove, California, November 1-4, 1987. The conference is being sponsored by the California Conference of Directors of Environmental Health and the National Association of Noise Control Officials. This conference is planned to serve the needs of noise abatement officers, planners and other persons who need to understand noise control issues. The cost of the conference will be $180, including room and board. Anyone may attend. For more information and/or reservations contact Dr. Frank Gomez at 213/974-7841. Registrations (or reservations) should be made by October 10.

A COMPREHENSIVE NOISE MANAGEMENT PROGRAM HAS BEEN APPROVED by the Hayward City Council for the Hayward Air Terminal. The program was developed by the aviation planning firm of Hodges & Shutt and contains 64 recommendations to alleviate the impact of airport operations on the community.
